

# SPECTRAVISION®

*personalize your pool!*

*changing the way*

*you light your pool!*

*elegance in under water lighting!*

Immerse yourself in the rich, deep and glowing colours of a SPECTRAVISION lighted pool. SPECTRAVISION transforms any pool into a night time oasis of glowing colourful warmth by combining the vibrance and brilliance of LED with the soothing effects of colour.

**Energy efficient, Long lamp life, Easy to install,  
Brilliant colours, No moving parts, Easy to control**
